# APRALO's Objective

---

Provide a **forum for promoting Asia Pacific Internet users' participation and involvement** in ICANN in an open, accountable and transparent manner

---

To promote, **understand & advocate for individual Internet users** and to provide a forum for **outreach, co-ordination and exchange of information** and knowledge

---

Act as an **interface** between individual Internet users and ICANN

---

**Promote skills development** and information exchange related to the Internet amongst Members

---

**Bridge the digital divide** and encourage users in developing countries to participate in APRALO

---

**Select two individuals** as representatives of the Members of APRALO to ALAC

---

# Exploring Areas of Collaboration

## Strengthening

Strengthening relationships through engagement in matters of mutual interest.

- For example: Capacity building in IDNs, DNS Abuse

## Exploring

Exploring local level collaborations between ccTLDs and APRALO members

**Look forward to your  
thoughts & questions**

# Thank You
