We Are APRALO

Our Leadership Team

APRALO's Objective

Provide a **forum for promoting Asia Pacific Internet users' participation and involvement** in ICANN in an open, accountable and transparent manner

To promote, **understand & advocate for individual Internet users** and to provide a forum for **outreach, co-ordination and exchange of information** and knowledge

Act as an **interface** between individual Internet users and ICANN

Promote skills development and information exchange related to the Internet amongst Members

Bridge the digital divide and encourage users in developing countries to participate in APRALO

Select two individuals as representatives of the Members of APRALO to ALAC

Exploring Areas of Collaboration

Strengthening

Strengthening relationships through engagement in matters of mutual interest.

- For example: Capacity building in IDNs, DNS Abuse, DNSSEC

Exploring
