# In-house Staff Capacity Building challenges of LANIC

- ❑ **Language:** Staffs are mostly technical major and not fluent in English, which is important to all environments.
- ❑ **Specialty:** In Laos we don't have a professional certificate examination, so specialty of staff sometime difference.
- ❑ **Facility:** Laboratory and tools are not ready, to maintain the knowledge after training is difficult.
- ❑ **Task:** LANIC has responsible for several works, our staffs are sometime rotated to different work.
- ❑ **Motivation:** Economic & growth.
- ❑ **Budget:** limitation.
